

2nd Annual Great Ferndale Scavenger Hunt!

The goal of this scavenger hunt is to build house spirit, strengthen the bonds between house members of different ages, and work as a team towards a common goal. Official start date is November 20th, end of contest is December 19th. The prize for completion is 50 house points. It is NOT a race, it's a team challenge. If three houses successfully finish, they all get 50 points, if everyone completes it, every house gets fifty points.

The task:

Members of your house must get a photograph of the "item" with the house member IN THE PICTURE...AND they must be wearing their house colours, OR have a sign that tells the viewer what house they belong to.

Some items will be easy to find. Some will be in the school, many will be in our community, and some will be tricky. There are many, many, different "right answers". It may take some creative thinking and ingenuity to find all 100 items. If you think you've "found" an item and you're not sure if it qualifies, ask Mr. Ayres or Mr. Mills for an official ruling. (We won't copy your idea, we promise.)

The scoring for points:

All 100 items found: You ROCK. You're super scavengers!! 50 POINTS

76-99 items found: Level four Sleuthing! 30 POINTS

50-75 items found: Great team building. Well done. 20 POINTS

25-49 items found: Not Bad! You'll do better next year. 10 POINTS

1-24 items found: Hmm... You'd better start practising now for Easter or you'll never find the eggs! 😊 5 POINTS

How it works:

House leaders will have a master list. When a house member emails (or brings) in a photo of the item with them in it, *AND* in their house colours, *OR* with a sign promoting their house, it is considered found, and it can be crossed off the list. House leaders are free to create a collage or bulletin board featuring all of the team's accomplishments.

The rules!

- A) No Photoshop or similar photo editing software allowed.
- B) The member must **be** with the item. No taking a photograph of a photograph!
- C) The member must either be visible in their HOUSE COLOURS in the pic, OR have a SIGN promoting their house in the picture.
- D) Be creative and have fun.
- E) House Leaders may submit photos to a maximum of 10 items to help their team.
- F) Any individual team member may submit a maximum of 10 items to help their team. It's a group effort! After that, they've got to encourage others to get involved and help them to get the pictures they need.
- G) It should be noted, that no pictures or images from previous year's scavenger hunts may be submitted for this year's scavenger hunt.
- H) Some of the best and/or most creative photos will also be submitted to the yearbook committee and may be used for this year's yearbook and on our website. Smile! Click! ☺

The items!

1. Mrs. Macdonald
2. A maple tree
3. A pencil sharpener
4. A seagull
5. A phone booth
6. Changing the batteries on a smoke detector
